Business banking online

Features available to you in Online Banking

It's easier than ever to keep track of your business expenses when you use our Online Banking. View transactions and eStatements, make transfers, see your credit line, make loan payments, and utilize budgeting features at any time.

ACCOUNT MANAGEMENT

Online Banking allows you to add additional users with unique entitlement access and separate login/passwords, which is important for many businesses.

These features also make business banking easy:

- View accounts from other financial institutions
- View credit card activity and statements
- View check copies
- Place stop payments
- Set up alerts based on balance or transaction activities

MY DEPOSITS

Deposit checks easily, securely and electronically whenever you want. All it takes is the camera on your iPhone, iPad or Android phone or a computer scanner.

MY PAYMENTS

Online Wire Transfers, online ACH debit and credit offers convenient payment solutions for small businesses to send and receive money.

BILL PAY

Bill Pay is available for any member with a checking account. It's convenient, lets you pay bills anytime online and is priced competitively, saving you money by eliminating postage and check stock expenses. Business members receive up to 10 bill payments per month for free.

BUDGET MANAGEMENT

Importing transactions directly into QuickBooks lets you manage your finances quickly and accurately.

eSTATEMENTS

One simple way you can reduce your carbon footprint and reduce use of resources is to sign up for eStatements. You'll receive a monthly email letting you know your statement is ready to view. If you would still like to receive a paper copy through the mail, an \$8.00 monthly fee may be applied.

TEXTBANKING

TextBanking is the easy and convenient way to access your accounts almost anywhere. This secure service enables you to view your account balances and activity right from your cell phone.

MOBILE APP & MOBILE CHECK DEPOSIT

Download our free Mobile App to safely and securely view your account information on the go. The app is available to download for Apple and Android mobile devices. View your accounts, transfer money, pay bills and deposit checks from anywhere you have mobile Internet service.
