

How to enroll—existing users

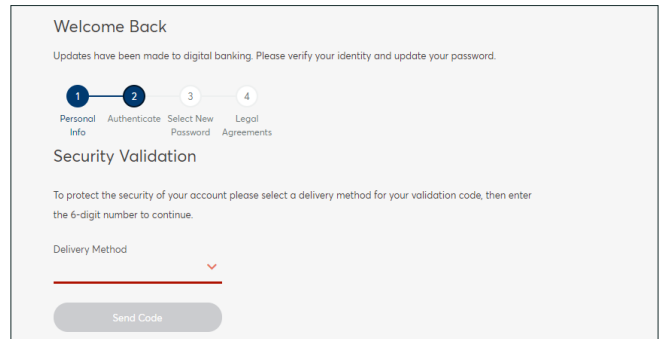

Please read the following directions when logging into our new Online Banking platform for the first time as an existing user.

1. Enter in your current Online Banking **username**. A second screen will appear for you to type in your **password**.
Click **LOG IN**.

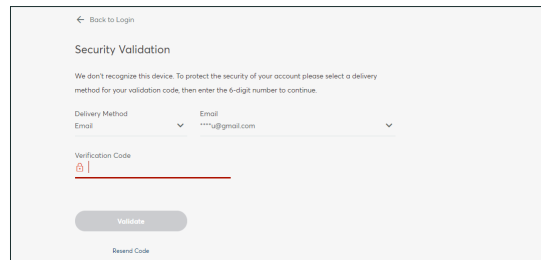

2. Click **Continue** on the first Welcome Back screen.

Then from the **Delivery Method** dropdown, select your preferred verification code delivery method and click **Send Code**.

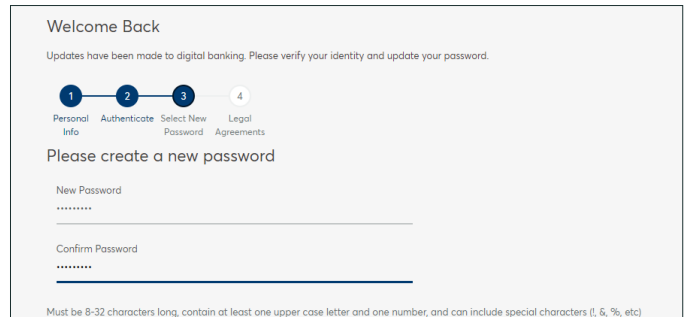

3. **Enter the Verification Code** you receive and click **Validate**.

4. **Create a New Password** and click **Continue**.

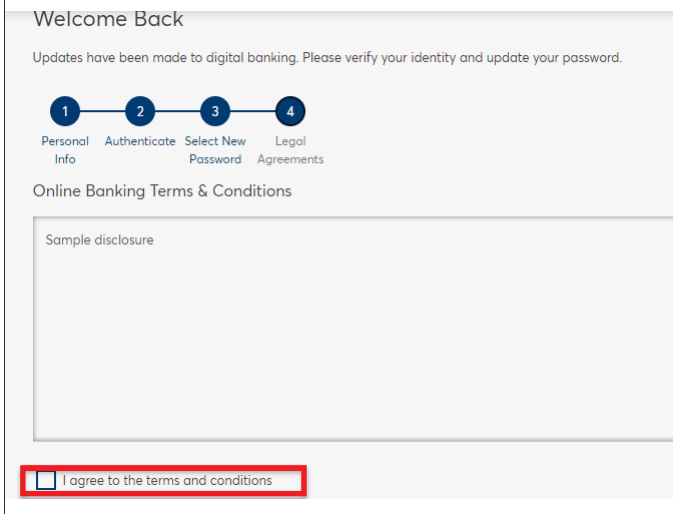

Tip: Your password must be 8-32 characters long, contain at least one uppercase letter and one number, and can include special characters (!, &, %, etc.).
