

How to set up a travel notice

Follow these steps to place a travel notice on your account whenever you are traveling away from usual whereabouts. This notice will allow your debit or credit card to work without interruption. Without a travel notification, you may find your debit or credit card blocked by our anti-fraud system.

1. Log in to Online Banking and click the **More (...)** links option.

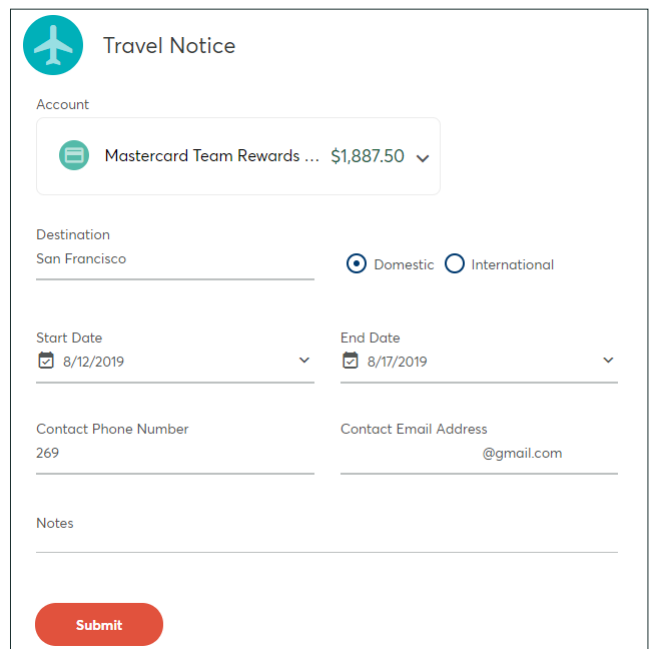

2. Under the **More (...)** links dropdown, click **Travel Notice**.

3. In the **Travel Notice** window:

- Select the **Account** from the dropdown.
- Enter the **Destination**.
- Select **Domestic** or **International**.
- Enter the trip **Start Date**.
- Enter the trip **End Date**.
- Verify **Contact Information**.
- Enter any **additional notes** (if applicable).
