

About Us

Love where we work, making our communities better.

Beyond our 21+ locations and top-rated technology, our members and employees really do like us! Yearly member satisfaction surveys result in 96 percent satisfied and highly satisfied ratings. And we're currently named a Best and Brightest Companies to Work For in the Nation 2020 Winner. Consumers is dedicated to serving well the places where we live, work and play. Each year we give over \$400,000 and donate more than 30,000 hours to 300+ community groups, events and causes—including the core charities listed below and our own scholarship award program for college-bound members.
